Message from the
Hony. Secretary General
The Indian Institute Of
Welding

It gives me immense pleasure to know that Hyve India in support with World Metal Forum (WMF) is organizing HTF - CWE 2023, India's Largest Exhibition on Hand tools, Power tools, Fasteners, Cutting, Welding & Laser Technology, along with collocated events during 1st to 3rd of September 2023, at Bombay Exhibition Centre, Mumbai (India).

As the Premier Professional Institute in India for the advancement of Welding Science & Technology and related activities, The Indian Institute of Welding (IIW-India) is continuously supporting the welding fraternity in the field of Human Resource Development through its Welding Education and Skill Development Programmes, as well as supporting the industries with the solution for their welding related issues.

I believe that such collocated events in this exhibition for Metal, Machinery, Manufacturing and Maintenance industries will surely create the right business climate for the growth across every level and prove to be a business platform to link metal units in the industry. Time and again it is established that this type of leading business events is helping to explore the needs of steel and metal industry in its efforts to be a part of global market.

I am sure that the attendees will be benefitted greatly in terms of business opportunities as well as in knowledge enhancement.

I extend my best wishes to all the participants, delegates and organizers for the success of the events.

With warm regards,

A handwritten signature in blue ink that reads "Rituraj Bose". The signature is stylized and includes a horizontal line underneath the name.

(Rituraj Bose)

Message from the
Hon. Sec. General
All India Induction
Furnaces Association

I am happy to know that Hyve India in association with leading trade associations is organizing the HTF and co located events on Mineral, Metal, Machinery, Manufacturing, and allied Industries during 25 – 27 August 2022 in New Delhi.

This exhibition will provide a meeting point for Power Tools, Fasteners certainly be providing opportunities for business networking, new product launches, technology interchange and more. Innovative tools & technologies will accelerate the manufacturing sector and thereby help the growth of the sector.

I am sure that such platform will be helping the Exhibitors & Business visitors to scale up their knowledge and business.

I wish a great success to all participants and organizers of the event.

A handwritten signature in black ink, which appears to read "Kamal Aggarwal".

(Kamal Aggarwal)

Message

Message from The
Director General
Alloy Steel Producers Asso-
ciation of India

I am pleased to know that Hyve India in support with World Metal Forum (WMF) is organizing HTF - CWE 2023, India's Largest Exhibitions on Hand tools, Power Tools, Fasteners, Cutting, Welding & Laser Technology along with collocated events during 1-3 September 2023, at Bombay Exhibition Centre, Mumbai (India).

Alloy Steel Producers Association of India was formed with an aim to act as facilitator for group interaction amongst members on issues of common interest to members and to channel regular dialogue between ASPA members and their major customers' representative bodies. The Indian Steel Sector plays an important role in the GDP of our country. Today our country needs to put in concerted efforts to enhance the growth of our GDP. A forum of Conference and Exhibition of this nature can play a pivotal role to usher in rapid technological advancements in minerals and metals sector.

Events like these seem like a nice concept - a Business Carnival for Metal, Machinery, Manufacturing & Maintenance Industries.

Exhibitions like these provide an opportunity to share technical expertise and learn from each other in terms of research and scientific developments around the globe.

I have no doubt that the event will facilitate efforts towards modernization of our Steel and allied industries.

I wish a grand success to the mega event.

(Dr. Anil Dhawan)

Message from The
Chairman
Container Shipping Lines
Association (India)

India is on the road to becoming a manufacturing powerhouse with the thrust from the Government of India in the form of policy support with Production Linked Incentive Scheme, Make in India, Digital India and Startup India initiatives.

The policy has been instrumental in growth in Manufacturing Exports with highest growth in manufacturing exports in FY23. The Container Shipping Lines Association, are proud to partner with Indian exporters and importers to enable and enhance market connectivity between India and foreign destinations.

The 24 member shipping lines of the Container Shipping Lines Association congratulate Hyve India for this initiative and wish immense success for "Grand Business Carnival for the Machinery, Manufacturing & Maintenance Industries".

(Capt. Deepak Tewari)

Message from the
Regional Director - Asia
Hyve Group

I am delighted to welcome the industry at the 21st edition of HTF Expo, India's leading exhibition on Hand Tools, Power Tools and Fasteners along with other co-located events - CWE, IMEX, UMEX, Tech India and WOM, which promise to showcase the best products and technology at the 3-day event in Mumbai, India.

Indian Government's Make in India and Digital India campaigns encourage the industries to adopt advanced manufacturing technology, thereby generating the need to create platforms like these exhibitions to facilitate knowledge transfer amongst the leaders of the industry.

The advancements in industrial automation and robotics have led to tremendous growth in electronics, automotive and metal manufacturing sectors. There is immense potential for further growth and groundbreaking innovations in laser technology, electroplating, robotics and systems integration, the exhibitions provide the front row seats to witness the technological evolution of machinery, manufacturing and maintenance Industries.

Exhibitions like HTF 2023 and its co-located events are a testimony to Hyve Group's continued commitment to create unmissable events worldwide that create an ecosystem of industrial growth in the era of digital transformation.

HTF 2023 aims to bring together manufacturers, suppliers, exporters, buyers, and importers from the allied industries to network and forge lasting business relationships.

On behalf of Hyve Group, I would like to thank all the exhibitors, speakers, delegates, sponsors, associations, and visitors for their immense support in making this event successful.

(Thomas Whelan)

Message from The
General Manager
Hyve India

It is a matter of immense pride for me to welcome all of you to the 21st edition of HTF Expo, which will be hosted from 01-03 September 2023 at the Bombay Exhibition Centre in Mumbai, India. Often referred to as India's largest exhibition on Hand Tools, Power Tools and Fasteners, HTF 2023 is co-located with 5 concurrent events – CWE, IMEX, UMEX, Tech India and WOM that aim to bring together some of the biggest names in Cutting, Welding, Pre-owned Machinery, Testing Equipment, Metalworking and Allied Industries.

Emphasizing Hyve's singular vision to create unmissable events worldwide, HTF Expo has seen unprecedented success in the last two decades with participation from 20+ countries spanning 4 continents and fulfilling the promise of a truly international experience.

The sudden rise in infrastructure projects and foreign investments in aeronautics and automobile sectors have boosted the demand for industrial tools, equipment and technology within a cross-section of industries. India's Power Tools market was valued at a whopping US\$802.1 million last year and is expected to grow at an impressive CAGR of 8.9%, indicating greater investment and increased supply chains.

HTF 2023 will bring together manufacturers, suppliers, buyers, and importers among other stakeholders from the fraternity to connect and network with each other, explore business development opportunities and strike lucrative deals.

On behalf of Hyve India, I would like to thank all the exhibitors, speakers, delegates, sponsors, associations, and visitors for their contribution in making this event a success.

A blue ink handwritten signature that reads "Gaurav Sood".

(Gaurav Sood)

Message from The
Portfolio Director
Hyve India

It gives me immense pleasure to welcome the industry at the Grand Business Carnival for Machinery, Manufacturing & Maintenance Industries at Mumbai during 1-3 Sep 2023.

The collocated events have been designed to showcase new technology & development in engineering and manufacturing industries and provide a unique opportunity for face-to-face interactions with industry leaders at one place.

The foreign investment in Aviation & Automotive sectors has paved the way for in-roads in technological advancements in the allied industries, which will be in full display at these exhibitions. Additionally, the opportunities for technology & knowledge transfer at the concurrent Seminar and Business Meets promise a wholesome experience to all exhibitors and visitors at the event.

I would like to extend my heartfelt gratitude to all the supporting Trade Associations, Media Partners from world over.

Wishing everyone fruitful participation at this Grand Business Carnival.

(Gagan Sahni)

EVENT AT A GLANCE

A Grand Business Carnival of 5 events on Machinery, Manufacturing & Maintenance Industries

- **HTF** - for Advanced Hand Tools, Power Tools and Fasteners
- **CWE** - for Advanced Cutting and Welding Equipment & Technology including Laser Technology
- **IMEX** - for Latest Machine Tools (CNC, Laser, Shot Blasting, Measuring & Testing Equipment and more.....)
- **UMEX** – for Economical Pre-owned machinery in the industry
- **TECHINDIA** - for Engineering and Manufacturing (Pumps, Valves, Compressors and more.....)
- **WOM** – for Metal Production, Processing and Metal working Industry

Exhibition Venue: **Bombay Exhibition Centre, Mumbai (India).**

Exhibition Dates: **1-3 September 2023 (Friday to Sunday)**

Visitor Entry Timings:

- 1-2 September 2023 - 10:00Hrs to 18:00 Hrs
- 3 September 2023 10:00 Hrs to 16:00 Hrs

Main Entry

- Hall # 1- Bombay Exhibition Centre, Mumbai (India).

EVENT AT A GLANCE

A Sneak Preview

- **250+ Leading Exhibitors & Brands** from **9 Countries** including : Austria, China, France, India, Italy, Taiwan, The Netherlands, United Kingdom, USA
- **10+ Dealers & Distributor meets.**
- Open Seminar & Business Meets on “**Latest Technology for Manufacturing & Maintenance Industries**”
- **12,000+** Trade Visitors from all over India and **27** other countries including major OEMs | Distributors
- Various **New Launches** by Exhibitors

HTF EXPO

Hand Tools & Fastener Expo (HTF) series of international events play a major role in showcasing the strength of the Indian & international Hand Tools, Power Tools, Industrial Tools & Fasteners Industry by attracting global industry

HTF has always received worldwide appreciation. The key objective of this business platform to help the Indian manufacturing industry and fabricators for technology & knowledge transfer, identifying alternate suppliers of industrial tools & spares, new source of investments, face to face interaction with industry players, identifying new market opportunities etc.

EVENT AT A GLANCE

CWE-IMEX-UMEX- TECH INDIA

A well-known international exhibition focusing on machine tools, welding & cutting technology, metallurgy, materials testing, nondestructive testing, robotics, automation and allied industries. The steady growth of the event is a reflection of the increasing capabilities as well as the potential of Indian manufacturing industry

UMEX segment provides a unique opportunity to Buy or Sell any industrial machinery for various industries like, metal working, metal forming, fabricating, construction, paper, textiles

Exhibitor Profile

- Hand Tools & Power Tools
- Hardware
- Fasteners
- Fasteners Machinery
- Consumables
- Lubricants & Oils
- Metal Manufacturers and suppliers
- Materials Technologies and services
- Machine Tools
- Metal Cutting & Forming Technology
- Laser Technology
- Industrial Robots for Production Processes
- Automation & Instrumentations
- Surface Finishing & Electroplating
- Welding Processes, Equipment & Technology
- Metal Working Machinery & Technology
- Metallurgical Equipment & Technology
- Pre-owned industrial machinery
- Bearing, Shaft & Couplings
- Pumps, Valves & Compressor
- Gears, Motors & Controls
- Technical Services
- Others

Visitor Profile

- Exporters & Importers
- Distributors
- Traders & Retailers
- Industry Suppliers
- OEMs
- Govt. Organisations / PSUs
- Heavy Engineering
- Manufacturing Companies
- Public Works Departments
- Defense
- Aviation / Aerospace
- Garage/Service Station
- Construction & Infrastructure
- Civil Contractors
- Metal Fabricators / Welding
- Garden Services
- Facilities Management Services
- Power Plants
- Railways
- Steel Plants
- White Goods Manufacturers
- State Road Transport Workshops
- Furniture Manufacturers
- Others

EVENT AT A GLANCE

The said Grand Business Carnival designed to cater large gathering of trade visitors from various industry segments and create a business conclave of CEOs, plant managers, material manager, maintenance managers, factory managers, quality heads, production managers, industry experts and distributors associated with design, manufacturing, engineering, fabricating and allied industries.

HYVE INDIA

Hyve India Pvt Ltd is a part of Hyve Group

We are Hyve - We create unmissable events, where people from all corners of the globe connect, learn & inspire, sharing extraordinary moments, advancing businesses and helping to shape industries. Our vision is to create the world's leading portfolio of content-driven, must-attend events delivering an outstanding experience and return on investment for our customers. This vision sits at the heart of everything we do and informs every decision we make.

We work across various industry sectors including, Engineering, Metal, Machinery, Paper, Packaging, Pro Sound & Light Roofing, Tools, Tissue and more across India & beyond

World Metal Forum

World Metal Forum - is an initiative to create a common platform for Metal, Machinery, Manufacturing and all allied industries for Technology & Knowledge Transfer and Exploring New Business Alliances across boundaries. This forum will also provide unique opportunity to learn from the success stories of achievers and witness innovative technologies in Metal and all allied industries

DE NEERS®

Best Ever Tools

A Heritage Of Breakthrough Innovation

DE NEERS TOOLS is an ISO 9001:2015 Certified and ISO 14001:2015 accredited Company. Today, we are the fourth-generation serving the Hand Tools Industry since 1951. Generation on generations, we have adopted new and improved modern systems and the best practices to satisfy our customers' needs to the fullest.

DE NEERS is one of the leading hand tools manufacturers in India. Our well-acclaimed Managing Director, MR. NEERAJ KUMAR AGGARWAL, with his committed and diligent workforce, has a focused and target-oriented approach towards meeting the customer requirements and ensuring the quality of their products. DE NEERS Tools, being the best hand tool manufacturers, endeavor to offer the best quality products at the most competitive prices. We aim to provide hand tools of the utmost quality that are worth our customers' money. We continuously work on innovation and research to develop products that can bring a kind of revolution in the hand tool industry.

DE NEERS is known as one of the reputed hand tools suppliers that provides the broadest range of hand tools in India. Our extensive range of products includes Spanners, Wrenches, Pliers, Cutters, Allen keys, Hammers, Socketry, Screw Drivers, Tool Kits, Tool Cabinets, Trolleys, etc. We are also specialized in providing Safety Tools like Non-Sparking Tools, Insulated Steel Tools, Non-Sparking Insulated Tools, Stainless Steel Anti-magnetic Tools, and Titanium Tools, with our range of hand tools.

We are counted among the leading hand tool distributors & hand tool exporters due to our consistent hard work to deliver quality products. We aim to provide professional hand tools of the utmost quality, made from German technology with the essence of "Make in India." Our R&D department has experienced and dedicated personnel that keeps a regular check on the latest trends and opportunities in the market and focuses on improving the design and structure of the products. Our focus is on producing tools that can stand up to the demands of the professionals who use them every day. DE NEERS is famous for providing the broadest range of products to its customers in India, making us the best hand tool manufacturers.

When it comes to increasing workplace safety in different industrial environments, our tools act as support. These tools find their applications in Aerospace, Marine, Petrochemical, Medical, Defence, and Nuclear industries where anti-magnetic, anti-corrosive tools are mandatory for ensuring users' safety.

Our DE NEERS team welcomes you all with keen interest for a long-lasting association.

Discover the Value of your Industrial Products!

Established in 1972, Industrial Products Finder (IPF) is a trusted brand in India's industrial publication space. Published by ASAPP Info Global Group, IPF equips Indian industries with essential information through its print, online, and event offerings. With a monthly readership of over 100,000, including top management, purchase/procurement heads, production/plant heads, researchers & scientists, and technical heads, IPF serves as a vital media link. It is widely circulated in manufacturing sectors such as automobile, electrical & electronics, machine tools, hydraulics & pneumatics, defense & aerospace, printing & packaging, plastic processing, chemical & pharmaceuticals, mining & steel, and general engineering industries.

Besides monthly editions, IPF brings out "Special" issues like:

- **India NXT** (for "Hannover Messe" exhibition in Germany)
- **EMO Hannover 2023** (the international exhibition for Metal Working industry)
- **India's Top 100 Engineering Companies** (in Sept 2023 featuring the Top Performers in India's Engineering Sector)
- **Smart Manufacturing** (in Oct 2023 focusing on how to make factories "Smart" with "intelligent" products/parts, automation and digital solutions).
